Seminal Weakness.

Seminal emission is consequence of abuse. This solitar, vice, or depraved sexu indulgence, is practiced by the youth of both sexes to an almost unlimited extent, producing with unerring certainty the following train of morbid symptoms, unless combatted by scientific medical measures, viz. Sallow countenance, dark spots under the eyes, pain in the head, ringing in the ears, noise like the rustling of leaves or rattling of chariots, uneasiness about the loins, weakness of the limbs, confused vision, blunted intellect, loss of confidence, diffidence in approaching strangers, a disjike to form new acquaintances, a disposition to shun society, loss of memory, pimples and various cruptions about the face, heetic flushes, furred tongue, feetid breath, coughs, consumption, night sweats, anonomain and frequently invanity. If relief be not obtained, you should apply immediately, either in person or by letter, and have a cure effected by his new and scientific mode of treating disease, which never fails of effecting a quick and radical cure.
